Dear Parent or Guardian,

We wanted to take this time to update you on our Student Insurance coverage. As you may already know, the District carries a group insurance policy on all of our students. This insurance is used as secondary coverage to help families cover costs due to bodily injury that take place on school grounds, while participating in extracurricular activities and interscholastic sports or while being transported by the District to and from school events.

The District will carry this insurance for the 2017-18 school year. However, the District will discontinue this insurance coverage starting July 1, 2018.

For families that are interested, this insurance coverage will be available to purchase at your own out-of-pocket expense. Information on this, along with necessary paperwork, will be handed out to students/parents in the Spring of 2018.

Please contact us at 715-289-3795 if you have any questions.

Thank you,

Randy Rosburg
District Administrator
